- Involved in every aspect of establishing and organizing new office including the set up of systems and processes that are fundamental in managing the office.
- Responsible for staffing including interviewing prospects and training new agents.
- Manage sales and administrative staff as well as weekly production and commission reports.
- Sell auto, homeowners, umbrella, commercial, business owner's policies, workers comp & renters insurance.
- Organize marketing events at local shows and networking events to bring in new clients and increase brand awareness.
- Manage direct appointments and carrier interface with insurance companies.

Loewke Brill Consulting Group

2006-Present

Consultant

The company provides construction claim mitigation services on a consulting basis to surety companies. Project management is provided on behalf of the sureties for project completion or dispute resolution.

I am involved in assisting the senior surety claims consultants and executive team with document preparation. Duties include reviewing project documents and preparing claim paperwork.

Low-Key Daycare

2007-2011

Owner/Operator

The business was a group in-home day care facility, dedicated to quality childcare. There was an excellent education program for the pre-school students. The business was also a member of the Child and Adult Care Food Program (CACFP).

- Responsibilities involved staffing including interviewing, hiring, training, and firing.
- Developed and implemented pre-school education program.
- Planned, prepared, and served a high quality meal program, in addition to filing paperwork with the State of New York monthly for the CACFP.
- Planned and executed weekly educational/fun field trips.
- Developed daily and weekly cleaning/sanitizing schedule
- Responsible for all accounting and paperwork, including marketing.
