

Local Labor Breakdown

The Local Labor market for construction workers shall be defined as those individuals living in **Orange, Ulster, Sullivan, Dutchess, Putnam, Rockland and Westchester Counties.**

Applicants receiving IDA benefits shall utilize at least **85% local labor** for their approved projects.

85% of total Project has to be compliant

- Ex. 100 workers inspected on a project and 25 of them are non-compliant then job will be 75% compliant-(which then will be NON COMPLIANT)
- Ex. 100 workers inspected on a project and 15 of them non-compliant then job will be 85% compliant-since it made its 85% project is COMPLIANT
