

Local Labor Breakdown

The Local Labor market for construction workers shall be defined as those individuals living in **Ulster, Greene, Delaware, Sullivan, Orange, Dutchess, Columbia**

Applicants receiving IDA benefits shall utilize at least **75% local labor** for their approved projects.

75% of total Project has to be compliant

- Ex. 100 workers inspected on a project and 40 of them are non-compliant then job will be 60% compliant-(which then will be NON COMPLIANT)
- Ex. 100 workers inspected on a project and 25 of them non-compliant then job will be 75% compliant-since it made its 75% project is COMPLIANT
