Re: Trial Graphics

Dear Mike:

I am writing to thank you and Jeremy Gibson of your group for the trial graphics presentation to our firm on May 12, 2005. The demonstration of trial graphics was extremely helpful to introduce us to a means of providing juries with complicated evidence and construction concepts in an effective and easily understood manner.

We look forward to working with you in the future.

Very Truly Yours,

CULLEY, MARKS, TANENBAUM & PEZZULO LLP
