Re: Litigation Presentations

Dear Mike:

Thank you for meeting our litigation group. Your presentation on how our litigation efforts, on behalf of our clients, can be enhanced with the careful preparation of computer graphics was extremely helpful. Being able to impart an understanding of complex trial issues with clarity is of paramount importance.

Your understanding of how a case is built, in addition to being able to make complex issues easy to understand, was readily apparent. We look forward to working with you in the future. Again, thank you for your efforts on our behalf.

Very truly yours,

Edward M. O'Brien
