Re: Your Recent Presentation

Dear Jim:

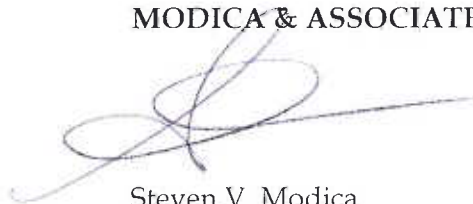

Thank you for taking the time to visit with me recently. I enjoyed learning more about what computer graphics in general, and your firm in particular, can do for me and my clients.

Your presentation was brief, focused and practical. I learned much and am looking for opportunities to utilize what you taught me to better serve my clients.

Thank you for the valuable information. I hope we have an opportunity to work together in the future.

Very truly yours,
