Dear Mike:

I wanted to write and formally thank you and your organization for your participation in our office continuing legal education seminar. Your people have some great ideas in terms of finding creative ways to effectively present information to juries in a way that it can be easily understood and retained. The feedback from my staff was overwhelmingly positive.

Thank you again and I look forward to working with you in the future.

Very truly yours,

MICHAEL C. GREEN  
Monroe County District Attorney
