Dear Mr. Loewke:

As you know, last year, the Town of Niskayuna experienced some performance difficulties with a contractor who was undergoing various financial troubles. We were concerned that this contractor would not be able to complete the project in a timely manner, and that the Town would have to undertake alternative, and costly, measures to insure completion.

Fortunately, your company intervened in this project, which resulted in the contractor satisfying his contractual responsibilities with the Town, and the project moving closer to completion. We were pleased that your team interceded at a critical juncture, immediately worked with the contractor to re-schedule the remaining work within a mutually agreeable time-frame, and ultimately oversaw the completion of the work.

I would like to thank you and your staff for your efforts during this project.

Sincerely,

Joe Landry
Supervisor
