Dear Friends,

Thank you for your generosity and gifts this holiday season. Your thoughtfulness and kindness have not gone unnoticed and are greatly appreciated.

Once again we have decided to share the generosity that has been given to us. The gifts that we have received have been shared with community charities around the Madison area and will be appreciated by even more people than the employees here at Capitol Indemnity Corporation.

Your generosity and kindness are valued and respected by Capitol Indemnity Corporation.

Sincerely,
Gary Horst &
The Family of Capitol Indemnity Corporation
